Subject: wrmc programming optional

hello beloved djs,

In light of what's going on--here on campus and in the world--**programming is officially optional**. Please feel free to do your show this week until break starts if you would like, or go into the station for a quiet place if you need to. We hope that you're all doing what you can to take care of yourselves in all senses of the word. Also--all future WRMC related events are cancelled for now.

so much love,
wrmc exec
